Professional Summary

24-year-old IT professional with hands-on experience in Oracle Cloud and PeopleSoft. Currently pursuing a degree in Information Systems, I've worked on enterprise systems, process automation, and incident resolution. Known for adaptability, technical curiosity, and clear communication in fast-paced environments.

Technical Skills

- Programming: JavaScript, HTML, CSS, Python, C#
- Frameworks: React, Vue.js, Angular, Bootstrap
- Databases: MongoDB, SQL
- Tools: Git, GitHub, GitLab, Jira, Trello
- Platforms: Oracle Cloud (HCM), PeopleSoft (SQL, XML Publisher)
- Reporting: BI Publisher, OTBI

Professional Experience

Technical Consultant – Ataway Buenos Aires

Sept. 2024 – Present

- Supporting implementation and support projects for Oracle Cloud (HCM, ERP) and PeopleSoft applications.
- Troubleshooting incidents and resolving end-user issues across various platforms (Jira)
- Collaborated with functional teams to using PeopleCode and XML Publisher.

IT Trainee – Fundación Pescar

Jul. 2023 – Dec. 2023

- Selected among 20 candidates nationally for an IT scholarship program.
- Completed technical training in Full Stack Development (React, Node.js).
- Received mentoring and support for career path planning and communication skills.
- Certified in IT Support via Coursera (Google).
